All Roads Lead to Chrome

Enthusiasts have been adorning their vehicles with chrome since chrome was invented. While other styling fads have come and gone, chrome has stood the test of time. Now, AVS brings the classic beauty of chrome to a full line of durable, easy-to-install accessories.

Don't let their good looks fool you. After all, an AVS chrome hood shield provides maximum protection, just like every other AVS hood shield. Our chrome Ventvisors® keep rain out and let fresh air in, just like the original Ventvisor® has been doing for more than 70 years. Add chrome mirror covers, door handle covers, a tailgate handle cover and a fuel door cover, and you are ready to handle anything the road ahead has in store for you ... with style.

Side Vents

Window Vents

Motorists have been relying on AVS to keep them cool and dry since the original Ventshade® took to the road more than 70 years ago. Since then, the design has become more aerodynamic and the materials more modern, but the benefits are the same. Whether it's the Ventvisor®, In-Channel Ventvisor®, Aerovisor® or the Original Ventshade®, you'll be cooler in the heat and keep dry and comfortable in the rain, all because you can keep your windows open just the right amount.

As the road ahead becomes the road behind, we'll continue to make improvements. But we will never lose sight of the simple, elegant design that made AVS famous.

Ventvisor®

- Keeps rain out and lets fresh air in
- The original Ventvisor® design
- Custom applications are available for most cars (2 and 4 door), trucks, vans, SUVs and CUVs
- Helps to reduce heat buildup in parked vehicles by allowing windows to be kept partially open
- Easy to install with strong automotive grade tape
- Applications also available for Freightliner, International, Kenworth and Peterbilt

In-Channel Ventvisor®

- Sleek, streamlined appearance — no exterior tape touches the vehicle
- Greater visibility — no “leg” to obstruct the side view mirror
- Decreased wind noise
- Snug, secure fit — no drill installation
- Available in popular smoke acrylic
- Easy to install with strong automotive grade tape
- Custom applications are available for most cars, trucks, vans, SUVs and CUVs

Aerovisor® Off Road Wind Deflector

- Aerovisor® is a larger version of the popular Ventvisor®
- The Aerovisor® offers extra protection from mud, sand, dust and wind (especially for off-road vehicles)
- Helps prevent window fogging
- Installs quickly and easily with strong automotive grade tape
- Applications are available for most pickups and sport utility vehicles

Intended for off-road use

Ventshade®

This time-tested accessory has been doing its job for more than 70 years

- Keeps rain out and lets fresh air in
- Easy to install
- Over 100 custom applications are available including many older models
- A practical and durable accessory

Hood Shields

AVS Hood Shields provide the protection you need when the road throws you a curve. Whether you choose the original Bugflector®, the wrap-around Bugflector® II, the low-profile Hoodflector® or the Carflector®, you'll know your vehicle is protected by the best in the business.

Why is AVS the best? Each AVS Hood Shield model is custom engineered for the specific vehicle application and manufactured from rugged, impact-modified acrylic. It is at this point we step out of the box, because nobody else takes this final step: Every AVS hood shield is test fitted on an actual vehicle hood before it is allowed to leave our facility. That's why, when you choose AVS, you know your new hood shield will fit perfectly, install easily and provide great looking protection for years to come.

Bugflector II®

Hoodflector™

Bugflector®

Carflector®

Bugflector II®

- The Bugflector II® wrap-around design offers maximum protection and a sleek, aerodynamic appearance
- Both the Bugflector® and BugflectorII® are car-wash safe
- Over 100 custom applications are available in dark smoke or paintable clear impact-modified acrylic
- Upright "stand off the hood" design permits easy hood cleaning and waxing

**no drill
installation**

**Limited
LIFETIME
Warranty**

**retail
packaging**

Bugflector®

- Traditional hood width design improves the look of your vehicle and protects your investment
- Helps prevent damage to the hood, windshield and fenders from stones and pesky bugs
- Custom molded of rugged impact-modified smoke acrylic
- Installs quickly with strong automotive grade tape or mechanical fasteners
- Custom applications are available for trucks, vans, SUVs and CUVs

**no drill
installation**

**Limited
LIFETIME
Warranty**

**retail

Warranty

Limited Lifetime Warranty

What Is Covered: All defects in materials or workmanship except paint and painting on all Lund International, Inc.'s ("Lund International") Auto Ventshade™ branded products properly installed per provided instructions. This warranty does not apply to any product from Lund International's direct or indirect subsidiaries.

For How Long: This warranty, and any implied warranties including merchantability and fitness for a particular purpose, last as long as the original retail purchaser owns the vehicle on which the product is installed. The warranty expires if the product is removed from the original vehicle or if the original vehicle is transferred to another owner. The warranty is not transferable from the original purchaser.

What Lund International Will Do: During the applicable warranty period listed above, Lund International will, at its option, either repair or replace any defective product at no charge. You must pay any labor charges associated with removing or reinstalling the product. If a specific product has been discontinued, Lund International may, at its option, replace your product with a current product of comparable function and value.

What These Warranties Will Not Cover: These warranties do not cover any damage, defect, or malfunction caused by misuse, abuse, accident, improper installation, modification, improper or inadequate maintenance, or on-road and off-road hazards. Incidental and consequential damages are not recoverable under this warranty. Some states or provinces do not allow the exclusion or limitation of incidental or consequential damages, so this exclusion or limitation may not apply to you.

How To Get Service: A defective product may, during the warranty period listed above, be returned to the place of purchase. Alternatively, you may contact Lund International Customer Relations directly at 1-800-241-7219 to obtain information on how to obtain service. Proof of purchase must accompany all warranty returns. Returns made to Lund International will not be accepted without prior authorization from Lund International.

How Does State Law Apply? This warranty gives you specific legal rights, and you may have other rights which vary from state to state or province to province.

This warranty statement supersedes all previous warranty statements in Auto Ventshade™ catalogs or other marketing materials.
