Put simply, Lund, Nifty, and Deflecta-Shield Aluminum brand accessories are engineered to work, designed to last and crafted to look great.

We constantly strive to improve and enhance our line of automotive accessories. The products and specifications included in our 2008 catalog are subject to change without notice. If you have questions, please contact Lund International Customer Service.

First Impressions are Everything

LEAD WITH THE BEST...

Your vehicle's grille makes a statement. With a Lund grille, you're telling the world that you settle for nothing less than the best. Cookie cutter grille covers are not going to cut it on your ride. With seven unique styles – four of which are Lund exclusives – you'll find a Lund grille that fits not only your vehicle, but your lifestyle.

The Finest Materials

Lund Grilles are built to last. We begin with the best materials. Lund billet grilles are crafted from high-grade aluminum. Our mesh grilles feature 12-gauge, 304 high-grade stainless steel. The unique Lund Diamond Plate grilles are made of tough, 3/16 inch aluminum.

More Bars

Lund Original Bar, Edge-Cut and Framed Perimeter Grilles have more bars than most competitors. And, because of our advanced laser and water jet manufacturing processes, the bars are evenly spaced. This adds to both the look and strength of the grille.

Superior Fit

Lund grilles are designed to closely fit the contours of each specific application. In addition, our grilles are known for their seamless look, hiding all weld points. Mounting hardware is the best, ensuring great looks for years to come. Many of our grilles have installation tabs integrated into the bar support. This reduces the number of welds, adding strength and simplifying installation.

Make the best possible impression with the best possible grille. Get the look with Lund!

Don't settle for less than Lund.

If ever there was a "must have" vehicle accessory, this is it. Lund Hood Shields combine form and function to protect your investment with quality and style. Available in a variety of materials and designs, Lund Hood Shields look good and work hard. Whether you choose the latest TriCrylic™ polymer, traditional polycarbonate or our incomparable 304 stainless steel, wraparound or low profile, your Lund Hood Shield will install in minutes, fit perfectly and look great for years to come. When it comes to protecting your vehicle, don't settle for less than Lund. The best value in Hood Shields.

Real Experts Choose Lund Tonneau Covers

In addition to protecting your truck bed and hiding its contents, tonneau covers are proven to reduce drag and increase miles-per-gallon. Talk to more than one pickup owner, however, and they may not agree on which style of tonneau cover is the best. Our easy access Roll Ups virtually disappear when rolled back, the Tri-Folds flip effortlessly out of the way, Snaps offer proven bed protection, Seal & Peel opens and closes quickly and seals completely and the Hinged tonneaus are easy to open with one hand operation.

No matter which style they recommend, real experts always go with Lund. That's because Lund Tonneau Covers are easy to install and built to last and last. Whatever style you prefer, there's a Lund Tonneau Cover to fit your truck and your lifestyle.

Get a Leg Up on Style

Everyone knows there are two reasons people put running boards on their truck, SUV or CUV: style and function. Lund running boards are engineered to superbly suit their purpose, so no matter which style you choose; your new running boards will be easy to install, strong and built to last.

Lund multi-fit running boards and brackets significantly reduce inventory requirements so they are as easy to buy as they are to install. Deflecta-Shield Aluminum running boards combine good looks with solid construction and easy installation.

So now, your choice is down to style alone. And, with nearly 20 distinctive designs to choose from, you may have a hard time deciding which is best for you and your ride. The bottom line: there's a set of running boards that's perfect for your vehicle and your lifestyle.

RUNNING BOARDS

You CAN Take it With You

When the question is: Do I take the camping equipment or the kids? - You need an easy, fast and inexpensive way to add cargo carrying capabilities to your car, truck, CUV or SUV. With Lund's cargo management solutions, you'll never face such a dilemma. Need more capacity? Add a Roof Top Cargo Rack, Hitch-Mounted Cargo Carrier or Aero Bag. Need a longer truck bed for work or play? Get a HitchRack™.

Even if you need help getting a load into your truck, Lund has the solution. Our folding ramps are strong, easy to use and travel right along with you. We can even help you keep groceries and other cargo in place with our unique Cargo Logic® System that includes Cargo Loks® and a handy Tote to firmly hold items steady, avoiding spills.

Now, there's no need to drive a full-size SUV or truck every day because you occasionally need to carry extra cargo. Lund's cargo management solutions give your car, van or CUV the extra capacity you need only when you need it. So, no matter what type of vehicle you drive, when it comes to cargo, you really CAN take it with you.

CARGO MANAGEMENT

Nifty™

Protect Your Investment with Strength and Beauty

Until recently, protecting the carpeting in your truck, CUV, SUV or car meant throwing in a set of rubber floor mats and hoping for the best. It was a lot like putting plastic covers on your brand new furniture, effective, but lacking style. At Lund, we knew we could do better, so we created Catch-All™, and Catch-All Plus™ -- superior floor protection that actually looks good.

Next, for hardcore vehicular slobs (you know who you are), we developed the Xtreme™ series. Designed for severe environments where average carpet protection solutions dare not tread, our Xtreme™ Catch-All™ and Xtreme™ Catch-All Plus™ floor protection solutions are made of Xynet™, a revolutionary thermoplastic material that resists virtually anything your feet (or your kid's soccer cleats) can throw at it.

So, why not take a step beyond old fashioned, unsightly, rubber floor mats? Protect your investment with Lund and get the look.

FLOOR & CARGO AREA PROTECTION

CATCH-ALL™

Premium Floor Protection

The Catch-All™ premium floor protection solution will add style and elegance while protecting your vehicle's carpet. Each set is custom molded with an exact fit for your vehicle. No need to worry about spills, the moisture barrier protects your carpet from dirt, mud, snow and water. Clean up is quick and easy. The best looking floor protection available for your vehicle.

- Plush OE nylon carpet color matched to vehicle's current model year
- Molded to fit the exact contour of the vehicle floor
- Heavy duty moisture barrier protects vehicle's carpet from dirt, mud, snow and water
- Stain resistant protection - cleans easily
- Raised lip contains spills

To Get the Best, Think Outside the Box

Whether it's a bed-mounted toolbox for your pickup, a storage box for your ATV or a tote box for hand tools, the outside of the box is just as important as the inside. That's because, to do the job, a storage box must fit both your vehicle and your needs. Now, Deflecta-Shield Aluminum, the storage box brand you've trusted for more than 20 years, is part of the Lund family of quality accessories.

From the budget-minded Contender™, to the industrial grade Seal-Tite™, Deflecta-Shield Aluminum storage boxes are designed to keep tools and other equipment safe and secure and look great doing it. Available in diamond plate, black or polished finishes and in a wide variety of sizes, styles and designs, Deflecta-Shield Aluminum storage boxes are easy to install and a pleasure to use.

So remember, to be sure your equipment is handy, safe and secure on the inside, look for Deflecta-Shield Aluminum on the outside.
